

**Westfield Technical Academy
Collision Technology Department
Advisory Meeting
33 Smith Av. Westfield Ma.**

Meeting

January 22, 2019

7:30 pm

Agenda:

- Classroom heat has no thermostat. (Heat is still controlled from a light switch.)
- Paint booth #2 has no lovers in the exhaust stack from stopping the cold air from coming into the shop.
- Two heaters in the shop are broken. Need replacement.
- Paint booth #2 is used to compensate for heating of the shop.
- Shop lighting and painting.
- Shop dust collectors.
- Intercom system replacement. Safety concern.
- Insufficient budget due to increasing cost of products and materials over the past 10 years.
- Storage.
- Replacements for Mr. Cardin and Mr. Storozuk.
