Dear Sir or Madam:

Let this serve as notice pursuant to Open Meeting Law, M.G.L.c. 30A sections 18-25 of a meeting of the Hampden County Commission on the Status of Women & Girls (HCCSWG).

On April 25, 2017, the Massachusetts Commission on the Status of Women inaugurated nine commissioners to a newly formed regional commission created to study and report the status of women and girls in Hampden County. The Massachusetts Commission on the Status of Women is "a state-established body charged with reviewing the status of women in Massachusetts and offering recommendations regarding policy that would improve access to opportunities and equality." The regional commissions have been created to target specific geographical regions to make sure that the needs of women across the state are met.

Our next meeting will be held on Thursday, February 20, 2020 at the East Forest Park Library, 136 Surrey Road, Springfield, MA 01118 from 7:00 PM to 8:00 PM. .

This meeting is open to the public, and we encourage members of the community to attend.

Please note that this month's meeting will occur immediately following the Massachusetts Commission on the Status of Women's Public Hearing on Women and Girls's Issues, which is also taking place at the East Forest Park Library from 5:00 PM - 7:00 PM. The public is invited to attend the hearing. See <https://www.facebook.com/events/599202030625637/>

Sincerely,

Michelle Goncalves
Secretary, HCCSWG
