This Airport Master Plan and associated Airport Layout Plan were prepared by Stantec Consulting Services, Inc. (project number 195210988) under a contract with the city of Westfield, MA.

This preparation of this document was supported, in part, through a grant under the Airport Improvement Program (AIP) project number 03-25-0052-051-2017 as provided under Title 49 UY.S.C, Section 47104. The contents do not necessarily reflect the official views or policies of the Federal Aviation Administration. Acceptance of this report by the FAA does not in any way constitute a commitment on the part of the United States to participate in any development depicted therein policies, nor does it indicate that the proposed development is environmentally acceptable or would have justification under appropriate public law.
