### Important Notice for Fire Protection System Compliance

Effective **July 15, 2025**, the Westfield Fire Department will begin utilizing **The Compliance Engine (TCE)**, powered by **BRYCER**, to streamline tracking, inspection, testing, and maintenance (ITM) activities for fire protection and life safety systems.

All ITM documents must be uploaded directly to The Compliance Engine database for review.

### Tracked Fire Protection Systems Include:

- Fire Sprinkler Systems
- Fire Alarm Systems
- Apartment Building Fire Notification Systems
- Commercial Kitchen Hood Cleaning
- Hood Suppression Systems
- Gas Station Suppression Systems
- Emergency Egress Lighting
- Emergency Responder Radio Coverage (BDA) Systems
- Fire Suppression Standpipe Systems
- Pressure Reducing Valves (PRVs)
- Paint/Spray Booth Suppression Systems
- Special Suppression Systems
- Clean Agent Suppression Systems
- Fire Pumps
- Water Tanks Supplying Fire Protection Systems
- Automatic Closing Fire Assemblies
- Fire Escape Inspections

*A complete list of systems can be found on the Westfield Fire Department website.*
