

Web Accessibility

CityofWestfield.Org is committed to achieving meaningful accessibility to this online environment for all users, including users with disabilities.

About Portable Document Format (PDF)

Some documents on this web site are produced in Portable Document Format (PDF). To improve viewing of these files, please download the latest free version of Adobe Reader, which is available for free at the Adobe website (<http://www.adobe.com>).

Contact Information

If any file format prevents you from accessing the information, please contact us for assistance. In order to respond in a manner most helpful to you, please note the nature of your accessibility concern, the format in which you prefer to receive the material, the web page address of the requested material, and the best way to contact you.

We also welcome your questions about this accessibility statement and comments on how to improve the site's accessibility.
