No later than sixty (60) days prior to the Annual Meeting date scheduled by the Trustees, the Secretary shall appoint a nominating committee composed of the Chairman and two (2) other trustees. No later than thirty (30) days prior to the Annual Meeting, the nominating committee shall mail to all Trustees a report nominating as Trustee, for each position to be filled, at least one (1) person willing and able to serve as Trustee and indicating that, if a Trustee wishes to nominate another person to serve as Trustee, such nomination must be received in writing by the Secretary at least twelve (12) days prior to the Annual Meeting. At that meeting, the Trustees in attendance shall elect by ballot the Trustees from those nominated in the nominating committee's report and those nominated as aforesaid by a Trustee. The nominees receiving the greatest number of votes shall be deemed elected as Trustee, shall commence their terms at the conclusion of the meeting, and shall serve for the duration of their terms and until their successors are duly elected.

2.04 Resignation of a Trustee
Any Trustee may resign by providing the Chairman of the Trustees with written notification which indicates the date upon which his or her resignation shall take effect.

2.05 Removal of a Trustee
A Trustee may be removed for cause by a majority vote of the Trustees taken at a meeting of the Trustees. No such vote shall be taken unless the subject Trustee has been
provided at least one (1) week’s notice that a motion for his or her removal would be raised, along with a summary of the reasons therefor.

2.06 Substitute Trustees
In the event a Trustee resigns, is removed, or is otherwise unable to serve, the Trustees may appoint a substitute Trustee to serve until such time as a new member has been elected. ARTICLE III
OBLIGATIONS OF THE CITY

3.01 Obligations, Duties, and Liabilities
(a) The City agrees to fulfill all obligations and duties established by this Agreement.
(b) The City is liable under this Agreement for the payment of Contributions when due.
(c) The City hereby agrees to provide appropriations for the payment of any sum assessed by the Trustees in accordance with this Agreement.
(d) The City agrees that it will cooperate fully with the Administrator and any agent or employee of the Trust in relation to the purpose and powers of the Trust, including, but not limited to, underwriting matters, plan administration, cost containment and managed care. The City further agrees that it will communicate benefit information to Subscribers in a timely manner upon the request of the Administrator or its agent.
(e) The Mayor shall be designated the Contact Person to be responsible for all contacts with the Trust. The Trustees and the Administrator shall not be required to contact any other individual except the Mayor in dealing with the City.
(f) The City shall furnish to the Trustees such underwriting information as may be required by the Trustees at least sixty (60) days prior to the end of each Plan Year.
(g) The City hereby acknowledges and agrees that this Agreement may be amended, altered or modified pursuant to Article IX hereof. The City agrees to be bound by the decision of the Trustees with respect to any coverages, limitations, or exclusions contained in the Plan Document, as such may be amended from time to time by the Trustees.

ARTICLE IV
ACCEPTANCE OF TRUST

4.01 Acceptance

The Trustees hereby accept the trusts imposed on them by this Agreement and agree to perform said trusts in accordance with the terms and conditions of this Agreement. The Trustees shall hold legal title to all property of the Trust and shall have absolute and exclusive power and control over the management and conduct of the business of the Trust.

4.02 Future Trustees

Whenever any change shall occur in the membership of the Board of Trustees, the legal title to property hereby created by this Trust shall automatically pass to those duly appointed Trustees. Each future Trustee appointed in accordance with this Agreement shall accept the office of Trustee and the terms and conditions of this Agreement in writing.

4.03 Trustees’ Duties and Obligations

The Trustees shall discharge their duties and obligations under this Agreement solely in the interests of the City, with the care, skill, prudence and diligence that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.

In performing his or her duties, each Trustee shall be entitled to rely upon information, opinions, records or other reports prepared by, or under the supervision of (i) one or more employees or agents of the Trust whom the Trustee reasonably believes to be reliable and competent in the matters presented, or (ii) legal counsel, public accountants, actuaries, physicians or other person as to matters which the Trustee reasonably believes to be within such person’s professional or expert competence, or (iii) a duly constituted sub-committee of the Trustees upon which a particular Trustee does not serve, as to matters within that sub-committee’s delegated authority, which sub-committee the Trustee reasonably believes to merit confidence. However, the Trustee shall not be considered to be acting in good faith if he or she has personal knowledge concerning the matter in question that would cause such reliance to be unwarranted.

The Trustees may adopt By Laws for the management and control of the Trust, so long as such By Laws are not inconsistent or in conflict with the terms and provisions of this Agreement. The By Laws may be amended by the Trustees from time to time in the manner specified in the By Laws.
4.04 Liability of Trustees
(a) The Trustees shall not be liable for errors of judgment either in holding property
originally conveyed to them or in acquiring and afterwards holding additional property,
in the performance of their duties hereunder, nor for any act or omission to act,
performed or omitted by them, in the execution of the trusts created hereunder.
(b) Every act done, power exercised or obligation assumed by the Trustees, pursuant to
the provisions of this Agreement, or in carrying out the trusts herein contained, shall be
held to be done, exercised or assumed by them as Trustees and not as individuals, and
any person or corporation contracting with the Trustees, shall look only to the Trust and
available property of the Trust for payment under such contract, or for the payment of
any debt, mortgage, judgment or decree or the payment of any money that may otherwise
become due or payable on account of the trusts herein provided for, and any other
obligation arising out of this Agreement in whole or in part, and neither the Trustees,
present or future, nor the City shall be personally or individually liable therefor.
(c) Notwithstanding the provisions of (a) and (b) above, a Trustee shall be liable in
connection with the performance of his or her duties hereunder if he or she has not acted
(i) in good faith, and (ii) in a manner he or she reasonably believes to be in the best
interests of the Trust.

4.05 Indemnification
(a) The Trust shall indemnify: (i) each member of the Board of Trustees and the estate,
executor, administrator, personal representatives, heirs, legatees and devisees of any such
person; and (ii) every officer and employee of the Trust and the estate executor,
administrator, personal representative, heirs, legatees and devisees of such person
(collectively, the “indemnities”) against all judgments, including interest, fines, amounts
paid or agreed upon in settlement, reasonable costs and expenses including attorneys’
fees and any other liabilities that may be incurred as a result of any claim, action, suit or
proceeding, whether civil, criminal, administrative, or other, prosecuted or threatened to
be prosecuted, for or on account of any act performed or omitted or obligation entered
into if done or omitted in good faith and within what he or she reasonably believed to be
the scope of his or her employment of authority and for a purpose which he or she
reasonably believed to be in the best interest of the Trust. In addition, with respect to any
criminal actions or proceedings, an indemnity shall be entitled to indemnification if the
actor, in addition, had no reasonable cause to believe that the conduct was unlawful. If
any such claim, action, suit or proceeding is compromised or settled, no indemnity shall
have a right to indemnification unless the settlement is with the prior and express
approval of the Board of Trustees or such other persons as may be authorized to make
determinations with respect to indemnification pursuant to paragraph (d) of this Section.
(b) Such indemnification shall not depend upon whether or not such person is a member
of the Board of Trustees at the time that such claim, action, suit or proceeding is begun,
prosecuted or threatened, nor on whether the liability to be indemnified was incurred or
the act or omission occurred prior to the adoption of this Section.
(c) The right of indemnification hereunder shall not be exclusive of other rights such
person or Board may have as a matter of law or otherwise.
(d) In each instance in which a question of indemnification hereunder arises,
determination in the first instance of the right to indemnification hereunder, and of the
time, manner and amount of payment thereof, shall be made by a majority vote of a quorum of the Board of Trustees; provided, however, that no member of the Board of Trustees seeking indemnification hereunder as a result of the same occurrence shall participate in the determination. In the event that a majority of the members of the Board of Trustees are seeking indemnification hereunder as a result of the same occurrence or the number of Board of Trustees members eligible to vote does not constitute a quorum, such determination in the first instance shall be made by independent legal counsel retained by the Trust for the purpose of making the determination. Nothing in this paragraph is intended to make an adverse determination finally binding upon the prospective indemnity or to preclude any prospective indemnity from requesting a reconsideration of an adverse determination based on additional evidence or from instituting legal proceedings to enforce a right of indemnification under this Section.

(e) The indemnification provided for in this Section shall be deemed to be an expense of the Trust to which the City shall contribute.

(f) The indemnification provided by this Section shall be secondary to any benefits to which the indemnity may be entitled to receive from any applicable insurance policy providing Directors and Officers, Errors and Omissions or other applicable insurance coverages which have been procured by the Trust or for which the Trust paid the required premium. The indemnification provided by this Section shall be primary over any indemnification provided by a Trustee at his or her own expense.

(g) Notwithstanding any other provision of this Section to the contrary, a prospective indemnity may seek, and the Trust may pay, advance indemnification prior to the rendering of a final determination of entitlement to indemnification pursuant to the provisions of paragraph (d) of this Section. Any award of such advance indemnification by the Trust shall be discretionary and subject to the provisions of this Section.

(ii) In each instance where a question of advance indemnification hereunder arises, determination of the right to indemnification and of any conditions or restriction attached thereto shall be made by a majority vote of a quorum of the Board of Trustees; provided, however, that no member of the Board of Trustees seeking indemnification hereunder shall participate in the determination. In the event that a majority of the members of the Board of Trustees are seeking indemnification as a result of the same occurrence or the number of members of the Board of Trustees eligible to vote does not constitute a quorum, such determination shall be made by independent legal counsel retained by the Trust for the purpose of making the determination.

(iii) Any determination of advance indemnification shall be discretionary and may provide for the time, manner and amounts advanced hereunder and shall include limitations on the rate of payment and the total amount to be advanced. The Trustees may, but shall not be required to, condition any such advances upon the granting of such security as they deem appropriate.

(iv) Any advance authorized hereunder shall be conditioned upon an undertaking by the indemnity to repay such payments if he or she shall be
adjudicated to be not entitled to indemnification; provided that the
Trustees may accept such an undertaking without reference to the financial
ability of the indemnity to make repayment.

All delegated authority shall be specifically defined in the By Laws or the written minutes of the Trustees’ meetings.

In the event that the reconciliation shows a General Fund surplus, the Trustees will be responsible for determining its disposition.

In the event that the reconciliation shows a General Fund deficit, or in the event that the Trustees at any other time conclude that the General Fund is in a deficit situation, the Trustees may, in their sole discretion, assess the Health Insurance Budget Account in amounts sufficient to resolve that deficit.

The City may not assign any right, claim or interest it may have under this Agreement.
