GENERAL INFORMATION ON PRELIMINARY AND FINAL ELECTIONS

Your name can appear on the ballot for **only one** office in any city election year.

Final Election:

On November 5, 2019, the City will hold a general election for the following offices:

OFFICE	NUMBER ELECTED	TERM	SIGNATURES REQUIRED FOR NOMINATION
Mayor	1	2 years	50
Councilor At-Large	7	2 years	50
Ward Councilor	1 per ward	2 years	50
School Committee Member	3	4 years	50

Athenaeum Trustee	1	6 years	50

All terms begin January 2020.

Preliminary Election:

A preliminary election, if required, is scheduled for September 24, 2019.

A preliminary election will be held **ONLY** if the number of candidates for an office exceeds twice the number to be elected.

In other words, a preliminary election will be held for Mayor, Ward Councilor, Municipal Light Board Commissioner, or Athenaeum Trustee if there are three or more candidates for the same office. For Councilor At Large, a preliminary election will be held if there are fifteen or more candidates and the number is seven or more for School Committee.

A preliminary election will reduce the number of candidates in the mayoral, ward council, Municipal Light Board Commission or Athenaeum Trustee race to two and in the Councilor At Large race to fourteen. In other words, the number of candidates will be reduced to twice the number to be elected.

CAMPAIGN FINANCE

All candidates are required to file Campaign Finance Reports for specific periods during the election cycle.

The Massachusetts Office of Campaign and Political Finance (OCPF) provides free web-based software (www.ocpf.us), Reporter 7 (formerly known as Reporter 6), to assist you in keeping accurate financial records and filing reports. To obtain an Identification number and password for Reporter 7, you must contact OCPF at (617) 979-8300 or send the M101 organizational form with "R7 Only" written at the top to OCPF via email ocpf@cpf.state.ma.us or fax (617) 727-6549.

All candidates must file with the City Clerk; however, Mayoral candidates must e-file with the state OCPF and the City Clerk. The City Clerk's Office will mail candidates forms and the specific dates. Your report should cover at least a week prior to the deadline.

You will be required to continue filing reports after January 2020 if:

- ✓ you are elected;
- ✓ you show assets or liabilities in the report filed January 20, 2020, or;
- ✓ you have not dissolved a candidate's committee organized to promote your candidacy.

Forms to create and dissolve political committees are available in the City Clerk's Office and can be downloaded from the OCPF website. Also, the "Municipal Campaign Finance Guide" is available online and in this office.

The guide provides important information on:

- ✓ limitations on contributions;
- ✓ permissible expenditures;
- ✓ prohibited practices, and
- ✓ disclosure requirements.

You should review this material carefully before raising or spending funds.

The Office of Campaign and Political Finance generally offers regional Campaign Finance Seminars for municipal candidates and their treasurers. Also, OCPF provides video tutorials for municipal candidates under the OCPF Reports YouTube Channel and via their website. You are strongly urged to attend a seminar and/or take advantage of the resources they offer.

SELECTED LAWS - CAMPAIGN PRACTICES

Many state laws regulate campaign and election practices. Some highlights are provided below. For the full text of any provision, please refer to the section of state law cited at the end of each synopsis.

BEFORE ELECTION DAY:

Endorsements Must Be Authorized: No person's name may be included in any political advertisement, circular or posters without his/her express consent. (MGLC.56 S.41A)

No Interference with Distribution of Political Circulars: No person may interfere with the distribution of circular or flyers. Unlawful interference includes the removal of printed matter from any residential premises to which it was delivered. (MGL C.56 S.43)

No Use of Public Resources to Promote Candidates and/or Ballot Questions: Public offices, supplies, time or resources may not be used to aid or defeat a candidate or ballot question (MGL C.55). All municipal intellectual property, including (but not limited to) the city seal, municipal logos and/or designs uniquely associated with or owned by the city, are public resources within the meaning of the law.

No Use of Mail Boxes for Distribution of Political Literature: Federal Postal Regulations prohibit the use of mailboxes as receptacles for any material which does not bear postage. The regulation applies to items placed upon, attached to, hung from or inserted in a mail box. The regulation further provides that violations will be punished by removal of the material from the receptacle and/or imposition of appropriate postal charges. (Domestic Mail Service Regulation 151.2)

No Political Signs Shall Be Displayed in Residential Neighborhoods More Than 60 Days Before Election Day and No Larger Than Six Square Feet: City ordinance allows the display of one sign per candidate not exceeding 6 square feet at any residential property. Signs relating to a preliminary election may be displayed for a total of 60 days and should be removed no more than 5 days after the date of the preliminary. Signs relating to a final election may be displayed for a total of 60 days and should be removed no more than 5 days after the date of the election. Note that, if you are a candidate in both the preliminary and final elections, the two 60 day periods will overlap. (Zoning Ordinance Section 8-10.3).

ON ELECTION DAY:

Election Officer and Police Officers to Maintain Order: Election officials are primarily responsible for maintaining order at the polls. Failure to obey the lawful commands of either an election officer or a police officer may result in detention, arrest and/or prosecution. (MGL C.54 S.71,72,74,75 and C.56, S57)

Political Activity Prohibited Within 150 Feet of a Polling Place: No one may solicit votes for or against any candidate, political party, or ballot question within 150 feet of the entrance to a polling place or within the polling place itself. [950 CMR 54.03(22)(d)]

During polling hours, **candidates may enter the 150 foot boundary ONLY for the purpose of voting.** No one should remain within the 150 foot perimeter longer than is necessary to conduct their business. Any person remaining within the 150 foot boundary for an undisclosed purpose will be presumed to be representing a candidate and will be asked to leave.

No posters or circular may be displayed or distributed (except Instruction to Voters cards and official Specimen Ballots) within 150 feet of the entrance to a polling place or inside the polling place, itself. (MGL C.54 S.65)

Please note that the prohibited materials include virtually anything bearing a candidate's name (buttons, pens, T-shirts, hats, key chains, etc.). Candidates and their representatives will be asked to cover or conceal these materials when within 150 feet of the polling place or inside the poll itself.

Police Officers measure the 150 foot mark, and can assist candidates and their representatives at every polling place.

CAMPAIGN SIGNS CANNOT BE LEFT AT POLLING LOCATIONS UNATTENDED:
On Election Day, all temporary campaign signs must be accompanied by an individual. Polling locations are considered public property (with the exception of 2nd Congregational Church). [Westfield Zoning Ordinance Section 8-10.3 (3)(c)]

Assisting Voters: At a voter's request, he/she may be assisted in voting by any person he/she designates. (MGL C.54 S.79)

A voter who will be absent may:

- ❖ vote in the City Clerk's Office prior to leaving; OR
- ❖ have the ballot mailed to an address of his/her choice;

- ✓ mailing, emailing or faxing a request to the City Clerk's Office.

The request must:

- ❖ be signed;

Absentee Ballot Applications **must be received no later than noon on the day before the election**, unless the voter has entered the hospital within five days of the election.

Voters entering the hospital within five days of the election may apply at any time before the polls close on Election Day. In this case ONLY, a ballot may be hand delivered to the voter by a friend or relative designated by the voter and returned to the City Clerk's Office by hand.

In all other cases, a ballot will be mailed immediately upon receipt of a properly completed application. Instructions for completing and returning the ballot will be sent with the ballot.

Completed ballots may be returned to the City Clerk's Office via mail or hand delivered by the voter, a family member or a facility's employee before 7 p.m. on Election Day.
